NUMBER TWO

Yellowjackets Meet Warriors Tonight at Crump Stadium at 8 p. m.

The annual "Scrap of Scraps" between the Tech High Yellowjackets and the Central High Warriors is to be held tonight at Crump Stadium. Kickoff time is 8 p. m.

Tech and Central are two of the four teams battling for the prep crown. Central has lost no games while Tech has only one to the C. B. C. purple Wave and that was just by a 6-0 score. This game, in the past has drawn more interest and speculation than any other in the prep league. This year Tech is again rated the underdog but only slightly.

This is Tech's biggest game of the year and is always the hardest fought as Tech and Central are the oldest rivals in the Public School system.

Here are the scores of past games starting when Tech moved to its present location:

- 1928—Tech 0, Central 6.
- 1929—Tech 14, Central 0.
- 1930—Tech 0, Central 0.
- 1931—Tech 19, Central 0.
- 1932—Tech 6, Central 0.
- 1933—Tech 6, Central 12.
- 1934—Tech 9, Central 19.
- 1935—Tech 14, Central 0.
- 1936—Tech 9, Central 0.
- 1937—Tech 25, Central 0.
- 1938—Tech 0, Central 0.
- 1939—Tech 0, Central 10.
- 1940—Tech 13, Central 0.
- 1941—Tech 14, Central 0.
- 1942—Tech 7, Central 8.
- 1943—Tech 12, Central 20.
- 1944—Tech 7, Central 7.
- 1945—Tech 12, Central 0.
- 1946—Tech 0, Central 29.
- 1947—Tech 7, Central 0.
- 1948—Tech 12, Central 7.
- 1949—Tech 34, Central 12.
- 1950—Tech 0, Central 20.

Out of the 23 games played, the Yellowjackets have won 13 and tied 3, while the Warriors have won only 7.

C. D. Presidents Serve On Student Council

A student council has been elected.

Senior class who was elected by the senior class is the presiding officer. Monitor has been placed in the halls to see that everyone is in his class. Smoking has been restricted to the lavatories. The members of the student council are: Evon Swanner, Beverly Gray, Joy Carden, Richard Aahman, Dick Turnipseed, DeWayne Phillip, John Goodrich, Jimmy Stuart, Janette Kimberly, Grover Dorsey, Jimmy Jordan, Joan Hollingsworth, Mary Virginia Leigh, Carlton Vick, Rom Mason, Mick Lee, Andy Ted Branton, Paula Holt, Orville Williams, Jan Craig, Jo Lynn Yarbrough, Doris Armstrong and Bobby Desmond.

P. T. A. Plans Annual Carnival November 15

At the October meeting of the Tech High Chapter of the Parent-Teachers' Association, Mrs. M. Graves, President of Memphis Council P. T. A., spoke on "To Educate for Freedom." After the business was concluded tea was served to honor the mothers of the sophomores. The largest number of mothers the Tech P. T. A. has had in several years attended the meeting and party.

Mrs. Evelyn Leslie Goes To Treadwell

The tears that the Tech students have been shedding are due to the fact that Mrs. Evelyn Leslie has left us. She has been transferred to Treadwell. Although Tech High hates to lose her, the whole school feels that Treadwell will be getting a big treat.

Mrs. Leslie has been at Tech since 1945. She says she has sincerely enjoyed teaching here. She also said that she thought the students of Tech were the sweetest and best in the city.

The Yellowjacket staff expresses the feeling of the school when we say "Good luck, Mrs. Leslie, as you start your wonderful work in a new school."

TECH'S HOPES ARE PINNED ON THIS TEAM FOR TONIGHT—Front row, left to right—Robert Earwood, Jere McAdams, Leon Barakas, Bobby McVay, Norman Brewer, George Skouteris, Gene Gentry, Jimmy Ballard, Lonnie Pondren. Fourth row—Charles Klingling, James Connor, Jim McCraw, Larry Hume, James Stone, Bobby Corbin, Charles Hall, Ed King.

Distinguished Educators To Evaluate Tech To Go On Sale Soon

The Yellowjacket staff is now preparing the 1951-52 Student Directory. It will possibly come out about the first of November. It will contain the names, addresses, and telephone numbers of all students. It will also have some school songs and the occupations they will choose as their life's work. The price will be 25 cents.

Big Career Day Held Ex-Techies Speak

Yesterday was Career Day at Tech. The program given was under the direction of the student council and the faculty. This event was planned to help students understand more about the occupations they will choose as their life's work. Many of the speakers were former Tech students who have made good in their fields.

JACKETS EDGE WARRIORS BY ONE POINT IN PROF. HIGSWAY'S ANNUAL DREAM

For almost a quarter of a century the Tech Principal has been accustomed to have his annual dream about the Tech-Central Football classic which has become one of the most outstanding games of its kind in the country. Friday night, October 26th, these two Football teams met in their 33rd annual game. In games won and lost Central has the edge for during the early years of Tech High, the Football Team, with good at times, was never good enough to beat Central. With the coming of New

Distinguished Educators To Evaluate Tech To Go On Sale Soon

Evaluation week for Tech High will be November 5 through November 9. The week will open on Monday night with a dinner in honor of the faculty and the visiting Committee to become acquainted with each other. This dinner will be attended by the twenty-two members of Evaluation Committee, faculty of Tech High, members of the Board of Education, and the administrators for the school board.

Soph Class Elects 1951-52 Officers Craddock Is Leader

The entire Sophomore class assembled in the auditorium recently for the purpose of electing their class officers. Mr. J. L. Highsway first introduced Mrs. Isabell Ball as class director. A chapter from the Bible was read after which Mrs. Ball read off the list of candidates who had already been nominated in class divisions. Each candidate was called to the stage with his campaign manager, who spoke for him. The short speeches were enthusiastically applauded by the audience.

almost the second half the teams were on equal basis and they seawayed up and down the field, but Central scored again just seconds before the first half ended. In the meantime Tech had made one touchdown via the air. It was Craig to Ballard who went over for the score, and then kicked goal. The half ended with Central leading 13 to 7.

Soph Class Elects 1951-52 Officers Craddock Is Leader

After a very fine Band Program put on by the combined Bands, the eager fans were ready for a renewal of Central. With the coming of New people of Memphis will fill Crump Stadium Friday night to see a Football Game which will be a battle royal, a contest fit for the gods.

Soph Class Elects 1951-52 Officers Craddock Is Leader

Following this plan, Central scored two touchdowns to Tech's one during the first half. Each team had its back to the wall more than once during the first half. There was very little fumbling, however each team was about equal along this line. Central's first touchdown came via the air and long end runs. The combination was Speight to Luckett, and he went over for the first touchdown. Small kicked for Central. The score stood Central 7, Tech

Tech Looks Into Mirror; Sees What She's Like

"Know thy self," said Socrates.

For more than a year now the faculty and student body of Tech have been putting this ancient philosophy into practice by evaluating themselves, finding out their own true worth. This has been done by taking various polls of opinion among the students and through faculty-student discussions.

The best qualities of the students and the school were decided to be: the friendly attitude toward each other and strangers, and their willingness to cooperate.

There were also three things which the student body voted needed improving upon. These were: smoking, conduct in assemblies, and traffic in the halls. This fall the student council met and passed a ban on smoking on the grounds and in the halls. The school feels there is a great improvement since Student monitors have been stationed on the halls at each period to check and see that everyone leaving a class room had a pass. Through this method it is hoped that the hall "wanderers" will be checked. Conduct in the assembly is now being worked on by various faculty and student committees.

Tech now knows her good and her not so good side and is striving toward a goal of A-1 GOOD.

Book Week To Be Celebrated

"New Horizons with Books" is the new theme of National Book Week. It is to be celebrated during the week of November 11-17. How long has it been since you read a good book? Books open new horizons on Fun, Facts, Understanding, Adventure, Science, Poetry, Music, Art, People, and Places.

Books are very valuable property. One of the first things Hitler did was to burn all the books in the country so his future would not become educated and independent.

Book week then should be Resolution week. Resolve to read some book you have planned to read a long time.

One cannot grow if he is contented to know no more than is required.

FIRE PREVENTION

Come on everybody. Let's fight fire! Fire Prevention Week rolled around again and as important as always is the value of stressing fire prevention, not only during Fire Prevention Week, but every day all the time. It is a lot easier to stop fire before it starts than after it has started. Fire is very greedy. Once it has started it will devour everything in its way. It doesn't stop and go around a person. It burns a person with the same greed that it burns everything else.

There were eighty-eight people killed by fires in Memphis during the last six years. Many of those fires could have been avoided. Did you ever stop to think that you might have been one of them? Perhaps you, your family and your property are all insured against fire. If fire struck in your home tonight and a member of your family were killed, do you think the money you would receive from an insurance company would be fair exchange for the life of your beloved? Would you later ask yourself if that fire could have been prevented if you had only been a little more careful? Remember that by being careful you might save a life and that life may be your own.

PRESENTING TECHITES

SENIOR
Jamye Sue Davis

Standing high on the list of outstanding Seniors, is Jamye Sue Davis, who came to Tech in her junior year from Arkansas, from West Memphis High.

This darling girl who stands 5 ft. 4 inches high, has big sparkling blue eyes, brown hair, and a luscious peaches 'n' cream complexion that highlights her vivid personality. She was born in Benton, Arkansas, August 6, 1934.

Jamye is a very versatile girl, holding many interests. She sings, sews and designs some of her clothes, and loves to cast. This year, she is President of the Y-Teens.

Jamye can be seen at every football game where Tech is involved, because her favorite sport is football, and of course her favorite school is Tech. When asked what she liked most about Tech, Jamye said, "Just Tech."

At the present, Jamye is undecided about her future career. She would like to follow in her mother's footsteps, as an interior decorator, and also to continue her interests in fashion modeling. This interest started some time ago, and she has since modeled in several fashion shows for Goldsmith's including the "Seventeen" shows.

Jamye enjoys attending the services at Bellevue Baptist Church.

JUNIOR
Virginia Scott

Five foot two, eyes of blue. Has anybody not seen Virginia Scott, this sophomore presenting Techites! In case you haven't, Virginia is a cute blonde with a smile'n' hello for everyone.

Being reporter of her homeroom last year and this year too, it's no surprise to find her a member of the Yellowjacket staff. Virginia was also reporter of the sophomore class last year.

Virginia, who came from Fairview, is a regular member of Temple Baptist Church and the Young Life Club. As for a hobby, skating rates high on her list.

Getting a little more personal, Virginia has no favorite boy friend, but does have two favorite songs: "Because of You," and "Fools Rush In". All in all, Virginia is a typical "Pre-

As long as you can remember, probably, you've been told that "you can't judge a book by its cover," or "all that glitters is not gold," or "kind hearts are more than coronets." Just about now in your life you've begun to wonder why people keep saying such things—so far as you can see, the world goes right on judging books by their covers, looking for value in anything which is bright, running madly after coronets in preference to kind hearts. And what is more to the point, preferring pretty girls to lank-heads; well-dressed creatures to Miss Mousney with the kind, kind heart.

SOPHOMORE
Lee Grisham

Hey Gang! Who's that precocious sophomore in Mr. Cooley's homeroom that has all the gals agog? Why, Lee Grisham, of course. In case you haven't had the pleasure of meeting him, he's five feet seven inches tall, weighs 165 pounds, has blonde hair, blue eyes and the most contagious smile you ever saw.

Lee comes to Tech from Fairview where he played Junior high football and basketball. Lee echoes everyone's opinion that Tech is tops.

His favorite song is "Because of You" and he likes "hot" music. His pastime is learning how to jitterbug; his favorite color is blue; and as for girls, he just likes them all.

Like his brother John Earl, Lee is popular with both boys and girls. His friendly and happy personality has won him many friends.

Student Librarians Assist In Career Day

Student assistants to Miss Ora Lee Newton, Tech librarian, at this year are: Bobby Applebaum, Mary Hamilton, Thelma Utley, Annis Shove, Joan Lewis, Carol Twohey, Elizabeth Ann Kenny, and Charlene Broadway.

The girls consider it a privilege to work in the library and Miss Newton thinks it shows good school spirit. The student library assistants will act as host and hostesses for Career Day.

Inquiring Reporter Quizzes Tech Students On Responsibility

A survey has been recently conducted among Techites by the Yellowjacket staff. The questions asked were:

Do you feel that you have a personal responsibility for the good name of Tech?

How do you show it? Some of the answers which were given were: Norman Brewer, senior: "Yes, I feel that I am part of a team and a team must work together to succeed."

Jack Counce, senior: "Yes, I feel that everyone should take a responsibility in taking care of the school property and improving the conduct in general."

The juniors and seniors especially should do the right thing and impress the sophomores to take the right attitude in the conduct and taking care of school property."

Sara Ellen Griffith, senior: "Yes, at all times I try to behave in public and tell people how things really are at Tech. People have funny ideas about Tech and the better we act in public the better name Tech gets."

Dorothy Smith, sophomore: "Yes, I feel that though I have been at Tech only a short time, I am responsible for what is said about the school. My conduct, in school and out, reflects on the school."

Ted Branton, senior: "Certainly, every student should feel a strict sense of responsibility for the things that go on here at Tech High. We should each of us do our part in taking care of our building and campus. There is no reason why Tech High School should not be the finest high school in the city of Memphis if every student would do his part in keeping our building and campus the neatest in the city."

Tornadoes Stop Tech By A Score Of 18-13

LAST MINUTE RALLY BY TECH HAS TILGHMAN WORRIED The Faulkner Sun-Democrat had this to say about the Tech High-Tilghman game: "Tilghman's Blue Tornado struck swiftly three times last night then held on grimly to defeat a well coached, panzer-like Memphis Tech team, 18-13, here before 5,000 fans, on smog-bound Keller Field.

The Yellowjackets came back into the game at the start of the third quarter determined to make up for that last Messick touchdown. A Barber kick went out on the Tech 46 and from there the Yellowjackets marched on the score in 11 plays.

TECH HIGH HOME ECONOMICS GIRLS WIN MANY PRIZES AT MID-SOUTH FAIR

WINNERS AT MID-SOUTH FAIR—Martha Evans, Estelle Berryhill, Beverly Agnew, June Trotter, Margaret Denton, Ann Robinson, Bobbie Putnam, Betty Livingston, Betty Ashton, Shirley Dyer.

The Mid-South Fair this year ended its greatest success since it...

Tech High enjoyed a greater success at the Fair this year, walking off with six first places, two seconds, one third, and two honorable mentions.

Betty Ashton won two first places one for grape jelly, and one for mint jelly; Shirley Dyer, scuppernon jelly, first place; Martha Evans, assorted cookies, second place; Anne Robinson, cup cakes, a first and an honorable mention; Juanita Carson, layer cake, iced, honorable mention; Bobby Putnam, Chocolate fudge, honorable mention; Beverly Agnew, fancy candy, first place; June Trotter, fancy candy, second place; Margaret Denton, cheese straws, third place.

Another attractive center of interest in which some of the Tech girls took part was the Memphis Home Economics booth entitled "Happy living in the Modern Home". The booth was decorated to represent a modern living room. The furniture, except for a television set from Orvall Brothers, was donated by Haverly's furniture company. The Tech girls who were hostesses on various days were: Bobby Putnam, Betty Schmitt, Elizabeth Shadlock, Margaret Denton, Rose Marie Raines, Florence Thomas, Charlotte White, Joan Smith.

Miss Ada Millett, Tech Home economics teacher, had the pleasure of meeting at the booth, a former Tech grad and pupil of hers, Jean Templeton Sawtelle, who now teaches home economics at Bellevue Jr. High.

Activity Period Used For Club Meetings

An activity period for the various clubs has been set up for every Friday. The clubs will meet for thirty minutes and since a rotating schedule will be observed no class will lose more than thirty minutes of its working time in a six-week period.

No person is expected to belong to more than two clubs. The clubs that met Friday, October 19th, 1951 were: Art, Mr. Plaggio; Band, Mr. Walker; Glee Club, Mrs. Thompson, Key Club, Mr. Drane; Non-Com Club, Miss Gavin; Officers Club, Captain Show; Y-Town, Miss Woods and Miss McDowell; Record Club, Miss Reams; Masquers, Miss Collins; Sponsors, Miss Kelly.

REELS AND RECORDS—Songs Send Scribe

By RENA MASON While reminiscing through my record collection last night, I dusted several platters that I had almost forgotten. One of them was an R.C.A. Victor Label with Perry Como's "On the Outgoing Tide," on one side, and his "Hoop-De-Do," with the Fontaine Sisters, on the reverse. The others were "Why Do You Say Those Things," (That Hurt Me So), with Margaret Whiting and Jimmy Wakely doing the vocalizing; and "I Love You Because," by Jan Garber and his orchestra.

Jolly Juniors Plan Shelby Outing Soon

The Junior Class will give an outing at Shelby Forest, Thursday, November 1. The tickets will be 75 cents for couples and 50 cents stag. Everyone is invited to come. It will be in the Mess Hall in the Organized Camp. This week the Junior Class voted a five dollar budget which will cover the Yellowjacket, Annual, Junior-Senior Prom, and other activities held by the Junior Class. This budget must be paid by the end of the Mid-Term.

Tech Is Very Proud Of Its New Band Room

If the students throughout Memphis could see the wonderful music department at Tech, they would flock here in overwhelming numbers. Tech is proud of its music department which now is rated as one of the South's best. Several leading colleges and universities have offered scholarships to graduate members. The music department, under Mr. Clinton Walker, has individual sound proof practice rooms, a new storage room for instruments, storage, cabinets, majorette costumes, and new chairs. To brighten up the room flowers are placed around.

Student Librarians Assist In Career Day

Student assistants to Miss Ora Lee Newton, Tech librarian, this year are: Bobby Applebaum, Mary Hamilton, Thelma Utley, Annis Shove, Joan Lewis, Carol Twomey, Elizabeth Ann Kenny, and Charlene Broadway. The girls consider it a privilege to work in the library and Miss Newton thinks it shows good school spirit. The student library assistants will act as host and hostesses for Career Day.

records, if you like Clyde McCoy. Some of our favorites which, it seems, will never grow old to us, are some of those that are still HIT PARADISE—"Because of You," "Too Young," "Come On My House," "Sweet Violets," and "How High the Moon," are just a few of them.

Rovin' on Records to Reels The Memphis movie theaters have lined up a roster of outstanding, varied film entertainment as its part in the Nationwide "Movietime U. S. A." campaign. Among the movies booked for the next few weeks are "People Will Talk," a comedy drama with Cary Grant and Jeanne Crain; "Thunder on the Hill," a mystery drama with Claudette Colbert, Ann Blythe, Robert Douglas, and Ann Crawford. "No Highway in the Sky," an adventure with James Stewart and Marlene Dietrich; "A Millionaire for Christy," comedy with Fred MacMurray, Eleanor Parker and Richard Carlson. "Peeking Express," adventure thriller with Joseph Cotten, Corinne Calvet and Edmund Gwenn; and "The Gold Horde," a spectacular historical adventure in technicolor, with David Farrar and Ann Blythe; and "The Prince Who Was a Thief," a technical adventure with Tony Curtis and Piper Laurie.

Seniors Sponsor Dance After Game Tonight

A big dance in the Tech gym will be sponsored by the Senior Class after the Tech-Central game tonight. Admission will be fifty cents with all invited. Chaperons will be Miss Margaret Gavin, class director and other senior class teachers as well as Mrs. Gassaway and Mrs. Douglas from the P. T. A.

Seniors Show Rings Two Kinds Offered Plain and Studded

You can tell a senior by their walk, talk, and hands. Their talk consists parties, dances, and what to do after graduation. But their hands are a dead give-away. Not that a senior sports extra fingers or something equally as morbid, but they're wearing their new rings. This year's rings are oblong with a blue stone centered by the school crest. There are two kinds; one with the stone and the plain with white gold on top. The seniors are really proud of them.
